

Hooked on Phonics® is now available through Educators Resource!

For over 20 years, Hooked on Phonics® has been trusted by parents and teachers to teach children the fundamentals of reading. Now, you can see for yourself what all the praise is about with Hooked on Phonics products sold through Educators Resource. With summer in full swing, there's no better way to reinforce essential reading skills.

Hooked on Phonics *Learn to Read* is an award-winning program that uses proven learning methods to provide 4- to 8-year-olds with a strong foundation in phonics and reading. With our step-by-step approach, kids learn about letters and sounds, learn how to put them together to form words, and then read great stories and books.

Hooked on Phonics® workbooks!

Educators Resource is also carrying Hooked on Phonics workbooks for the first time! Hooked on Phonics workbooks are filled with fun and exciting exercises that help kids practice and review the important skills taught in pre-k, kindergarten, first grade, and second grade. Each workbook is loaded with colorful pages, fun activities, stickers, and a progress poster to track learning success. Featuring our loveable cast of characters, these workbooks are sure to keep kids busy over the summer. Get started today on a summer of reading and fun with Hooked on Phonics and Educators Resource!
